Information about your bath:

- Royce Morgan baths are made using two pieces of 5mm sanitary grade acrylic sheets.
- Both the inner and outer acrylic skins are then reinforced using resin bonded glass fibre strands.
- When the resin is cured it sets solid to give both acrylic skins an improved strength and rigidity.
- They are both then coated with thermal sheets so that the water in the bath has a longer heat retention.
- The inner and outer skins are then bonded together using a polyester based cast giving it a solid base.

“

...let nothing come between
you and your freedom

”

Christian De Vittoris
Lazio, Italy

WELCOME

OUR VISION:

We are Royce Morgan; the name dedicated to developing and handcrafting the most desirable luxurious freestanding bath designs.

Every Royce Morgan bath has been tailored to compliment any style, be it contemporary or traditional. Each individual bath is designed with every curve and line influencing the last to create a geometric masterpiece.

Perfectly ergonomic, comfortable, yet practical and each bath as beautiful as the last. All manufactured to the highest quality, each one hand finished and checked by our professional craftsmen. We guarantee complete satisfaction and will work tirelessly to ensure it.

A Royce Morgan bath is a beautiful reality, a perfect pause in our world of lucidity, the ultimate place to relax.

Since 2003

How to care for your bath

- It is recommended each time you use your bath, to cover the base of the bath with cold water before turning on the hot tap.
- For everyday cleaning we recommend using a soft damp cloth or just warm soapy water.
- You should never use abrasive cleaners on your bath, they will scratch the surface of the acrylic, which will affect the appearance of the glossy look.
- If you do scratch your bath, we recommend using an enamel cleaning agent or car polish (T-Cut), this will help to restore your bath back to a lustre finish.
- Replace worn washers on dripping taps to prevent surface marking.
- Warning - Solvents such as paint stripper or nail varnish remover will damage the bath.

All Royce Morgan baths are covered by a Lifetime Guarantee.
